Glass Handling-Custom Applications

Hot Glass Billet Handling

Custom Grippers with Heat Resistant Pads

Storage Pick and Deposit

Storage Pickup

Custom Narrow Removable Grippers with Special Pads

## Glass Handling

Billets of glass up to ~5" Ø and up to ~80" long and weighting up to 140-lbs are safely and efficiently handled. Modified Squeeze-O-Turn™ grippers are used in picking and rotation requirements. Custom hanger with bottom retainer are used for vertical interfacing..
