

FEATHERWEIGHT® Endoscopy Carts

With endless customization options, design the perfect solution for your endoscopic equipment and supply needs.

Our Mission

PHS West is a relationship focused organization providing innovative products for a safe and efficient workplace.

What I love about PHS West is the culture of connection and family that spreads outside of our company walls. We are motivated to foster relationships rather than sales with our customers.

Endoscopy Carts

PHS West's Featherweight® product line is designed to address the unique challenges faced by endoscopy departments. Whether it be small procedure rooms, long travel cases, or lack of storage, we will provide thoughtfully crafted solutions that will last for years to come.

OUR HISTORY

For more than twenty-five years, we have been providing purpose-built medical carts to endoscopy teams. Our sales representatives have worked one-on-one with hundreds of facilities across North America. As such, we have been able to help countless endoscopy teams enhance their workflow and improve their safety.

From the procedure room to travel cases, PHS West can help you configure the perfect cart to meet your specific needs. Contact us today to begin your complimentary consultation.

Featherweight® Endoscopy Carts

YOUR OPTIMAL ENDOSCOPY CART

Several aspects go into ensuring that we will design the perfect solution to your needs.

FEATURES

Modular Design

Our various sizing options and modular accessories allow for nearly limitless different configurations. Whatever your needs are, we can accommodate them.

FEATURES

Quality & Trust

With more than 25 years of experience, PHS West is a trusted manufacturer of innovative products you can rely on.

FEATURES

Optional Power Drive

Utilizing a power drive system makes transport safer and more efficient. A single operator can perform tasks that previously took several staff members or trips.

HOLISTIC CUSTOMER FOCUS

We strive to make each customer experience outstanding through the entire life of the product.

COLLABORATIVE DESIGN PROCESS

We place an emphasis on building quality relationships based on honesty and trust. Our dedicated and experienced team members work with you through the design process from the first call through product implementation and beyond. Our team will ask the right questions and provide the right solution for you.

VIRTUAL DESIGN REVIEW

PHS West takes pride in being at the cutting edge of digital communications. Schedule a virtual meeting with your sales representative to review designs. Participate in product demonstrations from any location via our virtual show room. Rest assured that you will know exactly what to expect before making a final decision.
